

## Lagonda Australian Group

### Inaugural meeting

#### Invitation

On October 26<sup>th</sup> / 27<sup>th</sup> / 28<sup>th</sup> 2012

Please read on. - if you own a Lagonda.

Australian Members of the Lagonda Club will already know of and other Lagonda owners might not be aware of this meeting and miss out on some 'Aussie hospitality'.

A gathering of Lagonda enthusiasts will be held near Windsor N/W of Sydney, NSW on that weekend. Accommodation and conference facilities have been reserved at a suitable venue, with undercover parking, where we have 20 units booked.

On Friday evening there will be an informal welcome to all followed by a meal. On Saturday a barbecue followed by an evening dinner is planned and on Sunday time would be available to talk and view members' cars, display some memorabilia and generally discuss all things Lagonda.

Input from all Australian Lagonda owners is encouraged and anticipated. If you know of any Lagonda owner/enthusiast, please encourage them to make contact with me.

If you are interested in participating in this endeavour, or to take part in a discussion to form a **Lagonda Australian Group**, on the Saturday, please contact me as soon as possible. Further details, including projected costs will be forwarded to all as they become available.

Thankyou, the honorary co-ordinators,  
Peter and Beverley Henson  
165 Mountain Top Rd

Georgica NSW 2480
